## **Will *your* marmalade be selected in the Australian XI to tour to England?**

Buninyong, near Ballarat, has had a lot of fun with marmalade over the past few years.

After Australia lost the Ashes in 2010/11, Buninyong light-heartedly challenged England to something else they claim to have invented - marmalade. Our challenge was accepted. So we selected a Buninyong XI, 11 jars of our best home-made - plus 12<sup>th</sup> jar. These were given a Mayoral send-off on their tour to England up against the England XI at the International Marmalade Awards in Cumbria to contest the *MarmalAshes*.

The *MarmalAshes*, a tiny inconspicuous jar, is held in the Dock of the old Buninyong Courthouse in exact replication of the Ashes at Lord's in England. After all, when we win cricket's Ashes, Australians have to travel to England to see the trophy we've won!

Each year an Australian XI has been selected from our Marmy Army of marmalade-makers around Australia and competes against the England XI at the International Marmalade Awards.

**We won the *MarmalAshes* for the first three years in a row – a hat trick! But they won in 2014 & 2015, we drew in 2016 and won again in 2018!**

***... but we need your help with the  
MarmalAshes to beat our friendly  
adversaries, the Poms!***
