Men's Shed

As seen in the photographs, we have the beginnings of a new shed. The Hon Mary Wooldridge, Minister for Community Services launched our latest endeavour at a small ceremony on 23rd July. For those following the progress of the shed, you will remember that we applied for the grant mid 2013 then received the news of success of our application in mid-December. Well, the funds dropped into the account in early July, so our shed started to take shape. Weather permitting we will have the completed structure by 9th August ready for the shed members to fit it out over the early part of spring. Watch out for the celebration and the opening of the facility.

It goes a little quiet in the depths of winter, so a few of the guys have made a couple of work benches, and Russell got everyone onto the making of 600 crosses for the RSL and the Remembrance Day Service. That 600 grew into 1000, and we have come to realise that arguing with Russell is a lost cause.

Till next month, from the new location, onwards and upwards!

LEIGH CATCHMENT GROUP SAY 'THANK YOU' TO LONG TIME LANDLADY

The local Landcare network, Leigh Catchment Group, have operated out of the front rooms of Klaudia Hochhuth's cottage near the Post Office for more years than either can accurately remember. LCG have been undertaking environmental works with private landholders and on public land for at least fifteen years, and it is nearly all that time.

But it is the end of an era, as Klaudia moves out. The Leigh Catchment Group want to thank her and acknowledge that she has never put the low rent up in all those years. Klaudia says she thinks of that as her contribution to Landcare, for 'all the good work you do'.

After a period of uncertainty, when the FOR SALE board went up, the Leigh Catchment Group is delighted to be staying put, with the new owners happy to have them stay on.

"Watch out for some exciting news about the building and the new owners" says Jenny Ryle, Landcare Coordinator/Facilitator. Meantime Jenny has been joined part time by Kate Constance, who has been taken on as the Yarrowee Project Officer working in the more urban areas. "There is now slightly more chance to catch one of us in the office! Please call in (or ring) and chat about any project you were thinking of doing on your land or about volunteering with a Landcare Group"

So a big 'THANK YOU' goes out to Klaudia who will still be around, next door in a brand new home in fact, which is great.

LEIGH CATCHMENT GROUP

National Tree Day sunshine on July 27th brought out the crowds down to the Union Jack Creek on the edge of Buninyong. Take a peek next time you are passing the Golf Club, by turning down Macs Road and following it to see the forest of new trees. This is on crown land where there used to be just thick gorse. You can even see the creek now but be careful of the banks which are unstable. This was the fourth year of planting around National Tree Day time and you can start to see the beginnings of the woodland it will become. 840 plants went in this year, within three hours and 37 people registered themselves in. Success was also due to the helpers who came out the Saturday before, to rip with a tractor and lay out all the stakes in preparation.

This was a special planting because a fifth of the plants had been grown from seed by volunteers in the 'Back from the Brink' Project funded through the Communities for Nature Grant Program. This meant that local species which had been missing from plantings in recent years (Silver Banksia, Black Sheoak, Yarra and Snow Gum) had been identified as important to the landscape and had been grown

This year and last, over 2000 such plants have been planted out in over 10 hectares of plantings across a dozen properties around Buninyong, along with other associated species of trees, shrubs and grasses. This will really help the local birds and fauna find homes they need to survive in uncertain climatic times. For further community planting dates see 'Calendar' on www.leighcatchmentgroup.org. It would be great to see as many new 'planters' out as at this event.

Nearly finished planting looking from Golf Club end towards Scotchmans Lead Road in the distance

Lions Club of Buninyong Mt Helen Inc.

We are now into the second half of 2014 and our Lions Club is still working around our District trying to make life a little easier for families and individuals who need some assistance in one way or another or just offering our assistance to others to promote their work and ours.

The Buninyong Pre School Centre celebrated its 50 year anniversary during July and we put on a sausage sizzle for those attending. The attendees were most grateful as the day was cold but the food was warm and filling.

A group of ten Lions went out to Garibaldi to help a local farmer plant trees on his property. With the help of a number of the owner's friends we planted over 1000 trees as part of his plan to create an environmentally friendly property. It was quite a cold day but the rain held off and after we finished we all enjoyed a great BBQ put on by the owner's wife.

Our Lions Club has agreed to help the "Good Life Festival" committee with their celebrations in October. We will be there to set up on Saturday the 25th of October and run our BBQ on the day of the Festival on Sunday the 26th. We will also work in with the Committee in running our BBQ on the days of the "Good Life Village Markets" on the third Saturday of each month starting soon. Please note the October Village Market will be held on the day of the Festival, October the 26th.

At our Dinner Meeting in July, President Simon Jess presented Past District Governor Graeme Lukey and Lion David Searl with Lions International "Key Awards". These are awarded to members who demonstrate active commitment to the growth and strength of the association.

President Simon Jess presenting the "Key Awards to PDG Graeme Lukey and Lion David Searl.

We also delivered three loads of firewood to families around the town and, if you know of anybody who is in need of our help with firewood, please contact our members listed below.

Lions members Keith Chapman, Marc Cannon and Clyde Smardon using our 25 tonne log splitter.

About our Club

We meet regularly on the 1st Monday of each month, 7.30pm at the Buninyong RSL Hall for our Business Meeting, and on the 3rd Monday we have a more social Dinner Meeting at the Royal Mail Hotel, Albert Street, Sebastopol. Guests are more than welcome.

President - Simon Jess, Ph 0418 501 345, e-mail Simonjess_15@hotmail.com

Secretary - Bill Jolly, Ph 5341 2068, 0414 717 507 - e-mail bandijolly@spin.net.au

Treasurer - Barbara Voigt, ph 0407 048 159, e-mail bvoigt9@gmail.com

Scrap Metal - The Lions club will pick up your old, unwanted scrap metal including old white goods. This is sorted and sold, and all funds go back into our Community.

For pick up, please call Russell Williams on 5341 3452 or Bill Jolly on 5341 2068

Newspapers - We collect and sell old Newspapers, Glossy Magazines, Junk Mail etc., and now we can collect cardboard, and again, all monies go back into the Community.

It would be appreciated if papers could be laid flat and tied into bundles. They can be collected by us or you can leave them in the green bin outside our Lions Shed in Forrest Street (opposite the swimming pool).

For pick up please call Bill Jolly on 5341 2068.

Book Shop open every Saturday morning 10am to 1pm and Wednesday afternoon from 2pm to 5pm in Learmonth Street next to the old bank. Great selection of second hand books including children's, travel, biographies, novels etc. We also have a great collection of books on Hollywood featuring movies and TV shows, as well as a many on fashion.

We are currently looking for Oxford or Macquarie Dictionaries. We have a need for these for a teacher who believes students should not totally rely on the Internet for their knowledge of words.

If you are looking for a book and it is not in stock, please ask and we will try and source it for you.

The shop is run entirely by volunteers and all proceeds from our sales go back into our community.

Donations of books, CD's, DVD's and old "Vinyls" are gratefully received.

For your information:

Happy Birthday Civic Hall

The Civic Hall is now approaching its 58th birthday. It was opened grandly with a community concert on 20 August 1956, followed by further concerts and balls.

With the hall still closed, the grass-roots community group, **Save Civic Hall** will celebrate the event more modestly with a fund-raiser film at the Regent Cinema.

“The Hundred Foot Journey” is a film about an Indian family who move to France and open an eatery across the street from a Michelin-starred French restaurant run by Madame Mallory. It is a PG rated drama starring Helen Mirren and based on the acclaimed book by Richard Morais.

The film starts at 6.30pm on Wednesday 20 August. Tickets are \$15 and are available from Peter Fletcher, on 0411 120 733, or other members of the **Save Civic Hall** Coordinating Committee.

Although the City of Ballarat is planning a participatory community planning process to develop a 'whole of site master plan', it has not withdrawn its application for demolition of the hall and all buildings on the site.

Therefore **Save Civic Hall** continues to gather objections and to raise funds in the eventuality of having to take the issue to VCAT.

To date over 3,000 formal objections have been made to the proposed demolition. These have been received from the Ballarat community and region and Melbourne as well as from international Art Deco organisations.

NEWS ABOUT TOWN

BUNINYONG NEWSLETTER IS 37 YEARS OLD

The month of July is the birthday of the Buninyong and District Community news and last month the 37th Birthday was celebrated with a morning tea at the Buninyong Bakehouse. Two of our original editors were in attendance, **Betty Schreinzer** and **Peter Carter** and we enjoyed sitting around the long table having a chat instead of walking around and around collating never ending piles of A4 paper. The Newsletter has been online for two years now and we thank **Karen Hulston** for her publisher skills and our Webmaster **Liz Lumsdon** for loading the news each month.

HISTORIC WINDERMERE SCHOOL TO BE SOLD

Front page of the Ballarat Courier July 24, 2014

pictured a disappointed Yuille Park Community College principal **Clete Paige** looking through the gates of the Windermere Primary School that show the date 1857. The school has been earmarked for sale and Clete has put in a submission to the Education Department that the school site be used for an environmental education centre that would have encompassed tree planting, horticulture and land care education. To date, this proposal has not been accepted.

NEW ST PETER AND PAUL CHURCH OPENED

The Ballarat Courier "Business in Focus" July 16, 2014 page 18 announced that the new church extension of **St Peter and Paul's Church** in Buninyong was completed and it would be blessed and officially opened on July 20 by Bishop Paul Bird. The architect was Richard Falkinger AO who produced a design for an octagonal church which would feature large areas of stained glass and was still attached to the original church. The tender was won by local building firm S J Weir. Renowned

artists Janusz and Magdalena Kuzbiki were commissioned to design and produce the windows and internal fittings such as the altar, the tabernacle, the baptismal font and the lectern and a figure of the Risen Christ which will be suspended above the altar.

OUT OF THE GROUND FESTIVAL

The Melbourne Cup weekend this year, November 1 and 2, will see a two day Out of the Ground Festival involving food producers and wineries across the Ballarat and Moorabool regions. The organiser, **Wayne Whykes** said that three shuttle buses would travel between five farms on day one of the festival. There will be an evening movie screening and camp out on the Saturday night, and a jazz, wine and cheese tasting as well. Tickets are available at Ticketbooth. The Ballarat Courier "News" July 17 2014 page 3.

BUNINYONG RECREATION PRECINCT

This unique space for young people will be a meeting place and the Lions Club is planning to put in a BBQ. The 30 year master plan for the precinct included the Buninyong Football Netball Club, tennis courts, swimming pool, Men's Shed, Lions Club and Parkour (obstacle court), pump track for bike riders, skate space for skateboard riders, space for ball activities and dedicated areas for entertainment and sitting. The pump track has been designed and built by local young people supported by Trent Johnson from the Buninyong Trials Experience Bike shop.

GREEN WASTE COLLECTION

The Ballarat Courier "News" July 5, 2014 page 9 pictured **Sheilagh Kentish** of Mt Helen in her garden. Sheilagh is a keen gardener and will be using the green waste collection when it begins in the Ballarat region next year. The Ballarat City

Council is hoping to divert 8000 tonnes of organic materials from landfill each year.

LETTER TO THE EDITOR

Voters in the 23rd November State Election for the new seat of Buninyong which extends from Linton to Ballan are urged to think carefully before lodging their vote and consider not just blindly following the traditional Labour, Liberal or Greens sponsored candidates. Sonia Smith whom is standing for the Nationals for the first time deserves special attention. She has outstanding formal qualifications and personal attributes making her the ideal candidate to vote for. She is committed to an independent local orientation rather being subject to the influence of the trade unions or Melbourne based big business. The National Party which has not stood in the Buninyong area at State level very often in the past and is therefore a relatively new player has traditionally been local member based providing its members with an unrivalled ability to serve its local constituents independently. Sonia is working hard in her electorate and deserves to be elected.

Mental

Australia, 2012, 111 min.

Over-the-top-Australian Comedy

Director P.J. Hogan returns with his latest film since *Muriel's Wedding* (2004). Starring Toni Collette, Rebecca Gibney, Anthony LaPaglia, Deborah Mailman and an almost unrecognizable Lev Schreiber. Hogan takes another dysfunctional family and produces a cracking comedy that walks a tightrope between the passionate and the grotesque. The five Moomore girls feel they suffer from some kind of undiagnosed illness, but maybe they are just unpopular! See what happens when hitchhiker Shaz (Collette) moves in to

save the day after their mother has a nervous breakdown. Source: National Film and Sound Archive.

A Royal Affair

Denmark, 2012, 138 min.

Polished Danish Historical Drama

Dir: Nikola Arcel. Cast: Mads Mikkelsen and Alicia Vikander. Set in 18th Century Denmark, a young English princess travels to Copenhagen to marry King Christian V11 of Denmark. Finding him mentally unstable, she begins an illicit love affair with her physician. King Christian however, embarks upon unpopular reforms that lead into dangerous political territory. The pace is pitch perfect with Mads Mikkelsen playing an unforgettable role. Winner of the *Silver Bear* and Mikkelsen the

Tales of Ugetsu

Japan, 1953, b/w, 94 min. Dir: Kenji Mizoguchi.

Traditional Japanese Ghost Story

In the mid 1950s when the international film festival circuits got underway, Western critics praised Mizoguchi's films. Key to his direction is the mixing of real and the supernatural and his

mindful use of static slow observation and reflection. Ugetsu explores issues of love, honour, responsibility and family. Also, much like Max Ophul's *Letter From an Unknown Woman* (1947), Mizoguchi relentlessly deconstructed the prejudice and

hypocrisy confronted by women at that time. To watch this film is to be in the presence of cinematic greatness. Source: National Film and Sound Archive.

Dupa Dealuri (Beyond the Hills)

Romania, 2012, 152 min. Dir: Christian Mungui.

Romanian Drama

beyond the hills

In an isolated orthodox convent in the remote corner of the Moldavian mountains, Alina has just reunited with Vachita after spending several years in Germany. Trying to convince Vachita to return with her, a strong attraction grows between the two which leads to an attempted exorcism by the church elders. Filled with fascinating detail and insight into pockets of contemporary European religious fanaticism and lesbianism the film has had limited release in Australia. The two female stars: Christian Flutur and Cosmina Stratan won awards for *Best Actress* at Cannes, 2012. Source: Madman.

The Master

USA, 2012, 132 min. Dir: Paul Thomas Anderson.

American Post-war Drama

Stars: Philip Seymour Hoffman, Joaquin Phoenix, Amy Adams and Laura Dern. Soundtrack: Radiohead. Anderson's 6th film is bold, original and controversial. Freddie (Phoenix) returns to the US after WW2 a broken and unsettled man. He meets a charismatic 'Master' (Hoffman) who is the leader of a mysterious new movement. Anderson uses the backdrop

of L. Ron Hubbard's Dianetics movement to situate the characters and peer into its making. Other films by Anderson include *There Will Be Blood* (2007) and *Magnolia* (1999). Source: Rialto.

Le Havre

Finland, 2011, 93 min. Dir: Aki Kaurismake.

Quirky Finnish comedy

Set in the French harbour city of La Havre, we are introduced to a bohemian shoeshine man called Marcel. In his neighbourhood a young African boy is being pursued by French authorities for deportation. This delightful film is a political fairy-tale that exists somewhere in between contemporary French film and the stylised gangster movies of Jean-Pierre Melville. Winner of the *International Critics Award* at Cannes 2011, Margaret and David gave it 4 stars. A very special film that is set in another era where there are still dial up phones, belted trench coats and a spirit of neighbourliness. Oh, and there is a really cute dog! Source: Sharmill Films.

Chasing Ice

USA, 2013, 75 min. Dir: Jeff Orlowski.

Cool Compelling Documentary

Chasing Ice was screened at the White House on Earth Day, 2013. In the film we follow acclaimed National Geographic photographer James Balog across the Artic as he deploys sophisticated time-lapse cameras to capture the multi-year changes in the Northern glaciers. For his project, *Extreme Ice Survey*, Balog and his young team come to understand the character and nature of ice as they witness the massive changes that are occurring. This film has won numerous awards including the winner of the *Satellite Award for Best Documentary*.

Les Enfants du Paradis

French Poetic Realism

France, 1945, 190 min., b/w, Dir: Marcel Carne.

Since its triumphant premiere in a newly liberated France in

1945, the *Children of Paradise* has maintained its unchallenged popularity. Screenwriter Jacques Prevert - gregarious, passionate and political - teams up with director Marcel Carne - remote and cool, to create sublime cinematic magic. The film took 18 months to produce and was made during the German occupation of France amidst tremendous hardship for actors, Jewish composers and the 1,500 extras used in the film. Set in the rich gamey world of mid 19th century Parisian theatre, farce, romance, melodrama and tragedy is swept up into a perfect narrative. It is like pure velvet to watch. Source: NFSA.

October 9 **The Big Heat**

USA, 1953, b/w, 90 min. Dir: Fritz Lang.

American 1950s Noir

Cast: Glen Ford, Gloria Grahame, Jocelyn Brando, Carolyn Jones and Lee Marvin.

Homicide detective Dave Bannon is an honest cop who investigates the death of a fellow officer Tom Duncan after a suspected suicide. Lifting the

lid off the garbage can, he uncovers a world of megalomaniac crime bosses, police commissioners and city councilors all on the same payroll. This is a ballad of hate, murder and revenge that only America of the 50s can pull off but we also witness the courage of others: a crippled woman gives him a lead and a band of old mates protects his daughter. (Watched by Mike in series 5 of *Breaking Bad*) Source: NFSA.

No

Chile, 2013, 117 min. Dir: Pablo Larrain, Madman

Gritty Docudrama

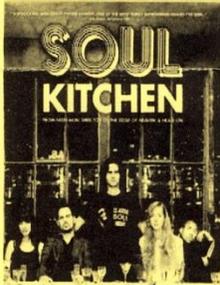

In 1988, due to international pressure, Augusto Pinochet holds a plebiscite on his presidency. Against all odds, a young ad man takes on the job of mobilizing Chilean people to vote 'no' to Pinochet's continued military rule. Shot in U-Matic to give the feel of the time and blend with actual footage, the film reveals a little known or understood role of how modern media can change the mood of a nation. This is Larrain's third film in a trilogy recording the Pinochet dictatorship between 1973 and

1988. Source: Rialto.

December 6 **Soul Kitchen**
